

## Judge Antonia "Toni" Artega

District Judge, 57th

Judicial District

Judge Antonio "Toni"

Artega currently serves as an Associate Judge for the City of San Antonio, as well as a Magistrate for Municipal Court. Judge Artega has been in private practice for eight years and has tried more jury trials than even the most seasoned attorney.

She is an award-winning attorney and publicly recognized by her peers.

Judge Artega is no stranger to hard work. Her parents were migrant workers; and she worked her own way through both college and law school. She is the youngest of eight sisters, and was the first in her family to receive a college degree. She learned hard work and service to community from her mother, who was widowed when Judge Artega was only two years old.

As an attorney, one of Toni's most memorable family law cases was when she found a woman literally crying on the courthouse steps. The woman had just lost her young child to her estranged husband. The husband had an attorney; the woman did not. Toni took the woman to her office, accepted approximately \$40 as a retainer, went back to court and won the case. Her client received court ordered child support and custody of her daughter. This case depicts Toni's everyday service to our community and willingness to always stand up for what is right and just.

Judge Artega is a UT graduate and earned her law degree at St. Mary's University. She is married to David, and a proud mother of two. Her children are ages three and fourteen months.
