Special Projects: Eckhert Road Clean-up

The next clean up will take place after the April meeting. We look forward to seeing the regulars plus some new faces. It is good exercise and contributes to the beauty of our community!

We are recycling the cans and bottles collected to help save the Earth.

Any questions, contact Adam Castillo,

We are also going to be taking donations for our October blanket adoption project.

Woodlawn Lake Earth Day will be celebrated on Saturday, April 18. You are invited to enjoy Earth Day after our meeting! Our friend, Joe Alderete, is chairman of the event. There will be many interesting booths about green subjects, a free tree giveaway by CPS, a bicycle giveaway, music, food, and more!

You can participate in Earth Day by recycling old computers and computer monitors. Please bring them to the NW Democrats meeting and your Special Projects chairman will deliver them to Earth Day. Almost everybody has used computers and monitors sitting around. They need to be dismantled properly, recycled, and not shipped off to 3rd World countries. To recycle computers is free. To recycle monitors there is a \$15 fee. Take this opportunity to clean off your shelves and bring your old computers and monitors to our April 18 meeting.
