Why The November 2024 Election Is Important, Part 2

Why you MUST vote for all Democrats in 2024

Listed below are the 13 non-binding propositions on the Republican primary ballot. These proposed propositions should be another motivation for us to keep working to protect and preserve our Democracy. Keep in mind these are on the Texas Republican primary ballot with cruelty and meanness as their goal.

Proposition 1: Texas should eliminate all property taxes without increasing Texans' overall tax burden.

Proposition 2: Texas should create a Border Protection Unit, and deploy additional state law enforcement and military forces, to seal the border, to use physical force to prevent illegal entry and trafficking, and to deport illegal aliens to Mexico or to their nations of origin.

Proposition 3: The Texas Legislature should require the use of E-Verify by all employers in Texas to protect jobs for legal workers by preventing the hiring of illegal aliens.

Proposition 4: The Texas Legislature should end all subsidies and public services, including in-state college tuition and enrollment in public schools for illegal aliens.

Proposition 5: Texas urges the U.S. Congress not to grant any form of amnesty or a pathway to legalization for illegal aliens.

Proposition 6: The Texas Legislature should prohibit the deployment of the Texas National Guard to a foreign conflict unless Congress first formally declares war.

Proposition 7: The Texas Legislature should establish authority within the Texas State Comptroller's office to administer access to gold and silver through the Texas bullion Depository for use as legal tender.

Proposition 8: The State of Texas should ensure that Texans are free to give or to withhold consent for any vaccine without coercion.

Proposition 9: The Republican Party of Texas should restrict voting in the republican primary to only registered Republicans.

Proposition 10: The Texas Constitution should be amended to restore authority to the Texas Attorney General to prosecute election crimes.

Proposition 11: Texas and guardians should have the right to select schools, whether public or private, for their children, and the funding should follow the students.

Proposition 12: The Texas Constitution should be amended to require proof of citizenship before any individual can be registered to vote.

Proposition 13: Texas should ban the sale of Texas land to citizens, governments, and entities from China, Iran, North Korea, and Russia.

Republican primary voters are to check "Yes" or "No" on each proposition. These propositions could be the framework for the national party and definitely for 2025 Texas Legislative session.

Pat Maloney, Sr. Public Service Award Dinner will be Thursday, August 8, 2024. Our honoree will be the Hon. Joe Gonzales, Bexar County District Attorney. Make your plans to attend and honor Joe. It never hurts to have a District Attorney as your friend!
